KICKSTART YOUR CAREER

WITH HANDS-ON TRAINING LED BY PROFESSIONALS WITH
REAL-WORLD EXPERIENCE

At GBE Centre of Excellence

we focus on delivering practical, industry-ready training with a clear path to employment

? WHY CHOOSE US

- 1 Expert-Led Sessions by practicing professionals
- 2 ~400 hours of classroom and hands-on training
- 3 Diverse Project Exposure Commercial, Industrial, Residential
- 4 Personalized Mentoring and guidance
- 5 Modern Infrastructure with cutting-edge tools
- 6 Strong Foundation in 2D Drafting & 3D Modeling
- 7 4-Months Intensive Program for entry-level readiness

Course Overview

Our course is structured to align with top global standards and equip students with essential tools and techniques in steel detailing.

CORE CONCEPTS

- Introduction to Steel Detailing
- Industry Standards: NISD, AISC, AWS, OSHA, IBC
- Basics of Steel Fabrication & Erection

DRAFTING & MODELING SKILLS

- Fundamentals of 2D Detailing
- Easy to Complex Framing & Assembly Drafting
- Erection Drawing Basics
- 3D Modeling: Stick Modeling, Reading Drawings, Connections

OTHERS

- Tekla Structures Certification

ELIGIBILITY

- B.E/B.Tech/Diploma in Civil or Mechanical Engineering

OUR MISSION & COMMITMENT

OUR MISSION

To empower engineers with industry-relevant skills in steel detailing, enabling them to contribute to high-quality, precision-driven projects and drive innovation in the industry

OUR VISION

To be the leading Center of Excellence in Steel Detailing Training, offering industry- focused programs that create a highly skilled, job-ready workforce capable of meeting global engineering standards

OUR COMMITMENT TO YOU

- Industry-aligned curriculum & tools
- Real-time project exposure from Day 1
- Personal mentoring by experienced trainers
- Direct path to placement in leading firms

OUR SERVICES & INTERNSHIP PROGRAM

CAREER GROWTH & COMPETENCY MAPPING

- Post-training assessments help determine the best-suited roles for each trainee (Editor, Checker, or Modeler)
- Performance-based evaluations ensure ongoing skill enhancement and career progression

INTERNSHIP PROGRAM

- A 1-month internship with real-time project exposure.
- Performance assessments and competency mapping to align trainees with the right roles
- Placement
- Direct job placement opportunities in Bangalore, Chennai, and Nashik for trainees who clear assessments.

WHAT SETS US APART ?

- Industry Experts as trainers
- Modern Labs and tools
- 1-on-1 Mentoring
- Career-Ready Skills for local & global jobs

Training Location

GBE Center of Excellence

#406, 7th Main Rd, 2nd Block,
Jayanagar, Bengaluru, Karnataka
560011
